

Write. Now.

Sit down and do this.

Write a two person, one location, one page scene.

Brother and sister sit at the kitchen table. On the table between them sits one lone cookie. Both siblings want the cookie. The obstacle in the way for each of them, is the other sibling. What tactics will they use to deal with the obstacle? Who will win? Who will lose? What cost will come with winning and losing?

You wrote today. Well done.
